

If you are reading this, you may have recently received an Electric Aggregation enrollment letter with program details and our new rate with NOPEC.

Your Canfield Township Trustees chose to join NOPEC for our electric aggregation program that will start on June 1, 2025, for 12 months.

Please note that you are automatically enrolled in this electric program. There is no need to do anything unless you want to opt out and there is no cost to opt out. If you choose to opt out, please keep in mind that you only have 10 days to rejoin. After that, you will not be able to rejoin until the next cycle.

Please use caution if you are thinking about opting out. Many suppliers may offer an attractive rate, but make sure to ask about any other charges and cancellation fees.

For more information, we encourage you to watch this short video:
